Morgantown Pony Baseball League, a 501©3 non-profit organization, has been a valuable community organization for over 40 years. We provide local children the opportunity to play sanctioned baseball through PONY (Protect Our Nation's Youth) Baseball, and the organization brings fun, learning, friendships, memories, and competition to the children of our community. Your support and sponsorship are essential for another successful season in 2026.

Traditionally, we have been able to maintain low registration fees in the community, and with your support, we can once again pass along the savings to the children of our league. We typically have 500 families registered per year participating in our league that use our website and social media daily, as well as many tournaments that bring in other communities from all over the area!

When you sponsor a team, your sponsorship helps fund the cost of uniforms, equipment, insurance, umpires, lighting, trophies, and awards. We do encourage our members and friends to patronize our sponsors as a reward and show of thanks for your generosity and contribution. In addition, your sponsorship could be proudly displayed on our website at [morgantownbaseball.net](http://morgantownbaseball.net). Sponsorship funds are also critical to be able to maintain and improve our facilities to provide the best experience possible for players, parents, visitors, and more. Our current projects and plans include:
